These days if you can't find a way to make a buck, then you can take up a job at one of the many Google offices. From a PR stunt to a fun-filled commercial, there has never been a shortage of ways to get a Google gig! This week, we're introducing a web property where we'll be sharing the best of those amazing new ways to make money – we call it Google Finance. We are kicking off this new column with a Google Search record! Last week we set a new record: one billion dollars of Google ads were served over a single day, with a staggering 1.2 billion of those ads finding their way into the search results of top-level queries for the term “Google”. It's a record-breaking milestone, but more importantly, it means we've been served a total of nearly one trillion ad impressions during the last year. So it's not a huge shock that the top results for “Make Money From Google AdSense” has more than 1,200,000 unique searches each month – more than double the #2 spot. And don't forget that the #3 spot is serving more than 2.5 million Google ads every month. So, what can you do to earn a living from our search engine? In this new article, we'll be exploring the more than 1, f678ea9f9e
